

Supplier's Declaration Battery Regulation (EU) 2023/1542

STÄUBLI Electrical Connectors (hereinafter referred to as "STÄUBLI") is aware of the Battery Regulation (EU) 2023/1542. STÄUBLI has every intention to contribute to the continuing process for obtaining a safer and more sustainable manufacturing process. We are continuously improving our products and processes.

STÄUBLI's products may contain substances restricted under Article 6 (Annex I) – Mercury, Cadmium, Lead - or Raw materials according to Annex X – Cobalt, Graphite, Lithium, Nickel - subject to due diligence obligations of the Battery Regulation (EU) 2023/1542. STÄUBLI does not manufacture batteries, nor does it place batteries on the market and is therefore exempted.

Nevertheless, STÄUBLI is aware of quality and safety requirements of the contained materials. Please refer to the following declarations on that matter:

- Quality and environmental: ISO 9001 & ISO 14001
- Material Compliance: e.g. RoHS & REACH
- Due Diligence: e.g. Conflict Minerals

The information contained in this statement is based on our knowledge and belief as of the date of this statement. We base our knowledge and belief on information provided to us by third parties (suppliers of raw materials or components) and make no representations or warranties as to its accuracy and assume no liability for the consequences of its use. We have taken and will continue to take reasonable steps to provide representative and accurate information. This document will be updated when the requirements or information change in a way altering the content of this statement.
