

Supplier's Declaration Eleventh package (EU Council Regulation 2023/1214)

On June 21, 2023, EU member states agreed on the eleventh package of sanctions against Russia over its invasion of Ukraine. The sanctions package was published in the Official Journal of the EU on June 23, 2023 - [Council Regulation \(EU\) 2023/1214 of 23 June 2023](#).

Beside others the sanctions tighten restrictions on imports of iron and steel goods by requiring importers of sanctioned iron and steel goods that have been processed in a third country to prove that the inputs used do not come from Russia.

This statement shall support the obligation on importers to provide evidence of the country of origin of the iron and steel inputs used for the processing of the product in a third country and refers to the following effective dates and products:

- September 30, 2023: products of Annex XVII containing products other than those of CN codes 7207 11, 7207 12 10, or 7224 90;
- April 1, 2024: products of Annex XVII containing products of CN code 7207 11; and
- October 1, 2024: products of Annex XVII containing products of CN codes 7207 12 10 or 7224 90

We, **STÄUBLI ELECTRICAL CONNECTORS**, hereby declare that all goods supplied and sold are not subject to the prohibitions set forth in Article 3g(1)(d) of Council Regulation (EU) 2023/1214 of June 23, 2023 amending Regulation (EU) 833/2014 concerning restrictive measures in view of Russia's actions destabilizing the situation in Ukraine, and no primary materials of Russian origin, as regulated herein, are used.

The information contained in this statement is based on our knowledge and belief as of the date of this statement. We base our knowledge and belief on information provided to us by third parties (suppliers of raw materials or components) and make no representations or warranties as to its accuracy and assume no liability for the consequences of its use. We have taken and will continue to take reasonable steps to provide representative and accurate information.
