

Supplier's Declaration Regulation (EU) 2023/1115 on deforestation free products (EUDR)

Stäubli Electrical Connectors (hereinafter referred to as "STÄUBLI") is aware of the Regulation (EU) 2023/1115 on deforestation free products (EUDR).

STÄUBLI has every intention to contribute to the continuing process for obtaining a cleaner, healthier, and safer environment. We are continuously improving our products and processes.

Seven commodities - palm oil, cattle, soy, coffee, cocoa, timber and rubber as well as derived products (such as beef, furniture, or chocolate) are included in the scope of the Regulation. The concerned relevant raw materials and products, identified by customs tariff numbers, are listed directly in Annex I of the EUDR. Products not included in Annex I are not subject to the requirements of the Regulation, even if they contain relevant commodities in the scope of the Regulation.

We declare that our products are out of scope of the EUDR, as they are not included in Annex I of the Regulation.

The information contained in this statement is based on our knowledge and belief as of the date of this statement. We base our knowledge and belief on information provided to us by third parties (suppliers of raw materials or components) and make no representations or warranties as to its accuracy and assume no liability for the consequences of its use. We have taken and will continue to take reasonable steps to provide representative and accurate information. This document will be updated when the requirements or information change in a way altering the content of this statement.
